

CME SPRING WELCOME BACK EVENT

Come network and socialize with CME students and faculty and get ready for your job/internship search with tips and strategies from our career center counselor!

WEDNESDAY,
FEBRUARY 11, 2026

4:30 PM - 5:50 PM

ENG 285/287

Speaker: Kelly Masegian is the STEM Undergraduate Career Counselor at SJSU and former NASA Ames Internship Coordinator, passionate about helping students navigate career development at every stage.

**RSVP HERE BY NOON
ON FEBRUARY 6, 2026**

“Career Development at Any Stage” is a presentation that speaks not only to the SJSU Career Center resources and key dates for the Spring semester, but provides guidance on how to find the right fit both now and throughout your career. In this session you will learn about how to best prepare yourself for the next step in your career development regardless of where you are now.
