SJSU | UNIVERSITY POLICE
DEPARTMENT

AlertSJSU:

This Community Safety Advisory is being issued by the University Police Department (UPD) and the purpose is to provide information about an incident that occurred on or near campus that does not pose an immediate threat but still pertains to the safety and security of the university community.

Campus Operations Status: Normal / No Change

Incident Location: MacQuarrie Hall

Date and Time the Incident Occurred (Approximate): Wednesday, March 4, 2026 at 5pm

General Summary: University Police were made aware of hateful graffiti and a written threat of violence scrawled into a bathroom stall in MacQuarrie Hall. The threat indicated campus violence of a non-specific nature would be perpetrated on campus on March 11, and the threat was directed at the Jewish community. UPD is actively investigating this incident.

In response to the threat, University Police are bringing additional officers to campus to increase foot patrols. If you have any information that would assist with this investigation, please report it immediately either by calling UPD (408) 924-2222, reporting through the [Spartan Safe mobile app](#), or by using one of the following links:

[Title IX-EO Reporting Form](#)

[Student Conduct Incident Reporting Form](#)

We want to express our deep solidarity with our Jewish students and colleagues. No one should have to live, work, or study in fear because of their identity. We disavow antisemitism and hate in all of its forms. Acts such as these have no place on our campus. For students who need support please contact Counseling and Psychological Services (CAPS) at 408-924-5678 or visit [sjsu.edu/wellness](https://www.sjsu.edu/wellness). Employees in need of support are strongly encouraged to contact the [Employee Assistance Program](#). More information will be provided to the campus as the investigation continues.

Remember to be aware of your surroundings. Get to a safe place and immediately report emergencies and suspicious activity by calling 9-1-1, using bluelight or elevator phones on campus or by calling (408) 924-2222. Please note that while UPD works with external agencies to stay informed of incidents that occur in areas close to SJSU campuses, there may be occasions when UPD is not made aware of particular incidents. Suspect descriptions are included in safety advisories only when deemed appropriate and if the descriptors provided to police could reasonably lead to conclusive identification of the alleged perpetrator(s). If UPD has access to a photo of the suspect(s) it may be attached to this message. This is not an Emergency Notification or Timely Warning as defined in the Clery Act.
