DEPARTMENT

AlertSJSU:

This is an update to the Community Safety Advisories we've sent regarding hateful graffiti that included a written threat of violence. Additional graffiti was found and removed this week from a campus bathroom. The University Police Department investigation is ongoing, and no evidence has been identified to indicate a credible threat. Anyone with information related to these incidents is encouraged to contact the University Police Department at (408) 924-2222. Visit [sjsu.edu/campus-safety](https://www.sjsu.edu/campus-safety) for information and future updates about these incidents.
